

REMARKS/ARGUMENTS

The above amendments are being made to clarify the priority claim, to conform the subject application to U.S. practice, and to further pursue patent protection for Applicant's invention.

Claims 66-96 are cancelled without prejudice or disclaimer. Claims 1-65 are pending. Examination of the presented application and a favorable response are respectfully requested.

This application now stands in allowable form and reconsideration and allowance is respectfully requested.

Respectfully submitted,
